Front End Developer

(519) 320-8878 franceswyllie.com contact@franceswyllie.com

Introduction

My name is Fran Wyllie and I'm a professional Front End Developer! I'm currently enrolled in the Interactive Media Design program at Fanshawe College and am looking to gain experience within the multimedia industry. I'm highly proficient with HTML5, CSS, CSS3, Javascript and am learning something new everyday. Thank you for taking the time to look through my resume!

Skills

- HTML5
- Javascript
- CSS3
- PHP

Experience

The Source

Woodstock, ON - 2016 - 2017

Developed strong relationships with managers and staff, creating a cohesive and productive team within a deadline-driven environment.
Consistently achieved top monthly sales for the store, in both consumer electronics and Bell Services.

Tim Hortons

London, ON - 2012 - 2014

Worked with team members efficiently to fulfill customer's orders promptly and correctly
Showed patience and empathy when dealing with customer's concerns, complains and praise
